

## COMMON PRE-TESTS

### REQUEST FOR CANDIDATE RESULTS 2021-2022

If a candidate is registered for the Common Pre-Tests by more than one senior school, then the results from the first test taken must be shared with the other senior schools. Please complete the form below with your school information and follow the instructions to produce a list of candidates for whom you require results.

**Please ensure the form is completed electronically rather than by hand as data on this form is used by ISEB's systems.**

ISEB will carry out a check to ensure that both the school and candidates are registered. Candidate results will be sent to you using the contact email address below. Results can take up to 5 working days to be delivered.

**ISEB will only release results for Common Pre-Tests which have been taken in the current academic year.**
