(+10 minutes' preparation time)

**Instructions**

**This booklet must not be given to candidates.**

**Information**

This examination consists of three parts.

In **Part 1**, candidates are required to carry out one role-play situation.

**Part 2** consists of a conversation with the candidate, lasting about 2-3 minutes, based on a stimulus text. The examiner must ask the **first** of the prescribed questions, then any **four** of the remaining questions.

**Part 3** takes the form of an open conversation, lasting 2-3 minutes, on one or more of the prescribed topics, chosen by the examiner. The topic(s) chosen should not overlap with the topics used in Parts 1 and 2, and candidates should not know in advance which topic(s) have been chosen.

Each candidate is allowed 10 minutes to prepare Parts 1 and 2 of the test. During the preparation time, candidates may use a dictionary and make notes which they may refer to during Parts 1 and 2 of the test **only**. These notes must be written on lined paper, **not** on the stimulus card.

Candidates must hand the stimulus card and their notes to the examiner at the end of the test.

The whole of the examination is to be recorded.
