Specimen Paper

Date

Time allowed: 10 minutes

Instructions

Do not open this booklet until you are told to do so.

This test is 10 minutes long.

Write your answers in the spaces provided.

Each question is worth 1 mark. There are no marks for working, but you may do any working you wish.

Answers given as fractions should be in their lowest terms and written as mixed numbers where appropriate.

You may use a pen or a pencil.

You may **not** use calculators, rulers, geometrical instruments, etc.

Erasers and correcting fluid are **not** permitted. If you wish to change an answer, you should cross it through and write the correction beside it.

Write your name and the name of your school at the top of your answer sheet.
