Information

This is a suggested, not a prescriptive, mark scheme.

The majority of the marks should be awarded for good working/reasoning/explanation.

Marks should be deducted for mathematically incorrect working.

A maximum of 1 mark per question should be deducted for incorrect/missing units up to a maximum of 3 marks per paper.

A maximum of 1 mark per question should be deducted for incorrect rounding up to a maximum of 3 marks per paper.

~~Deduct a maximum of 1 mark per question for incorrect/missing units up to a total of 5 marks.~~

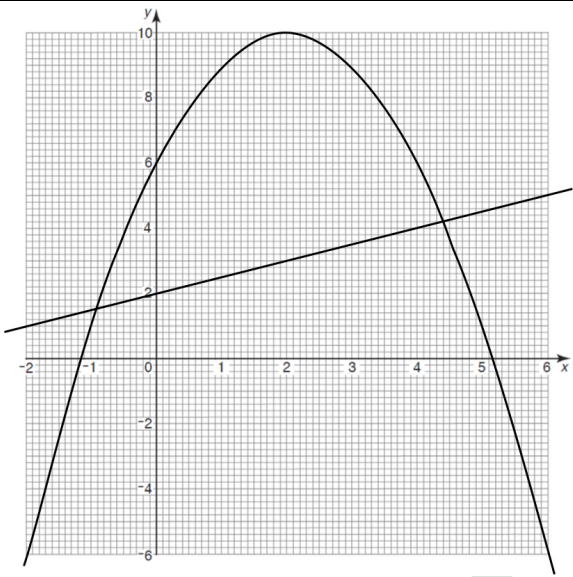

Credit should be given for good attempts and ideas.
